

Truth or Lie ?

**If given asylum, you
will instantly receive
10,000 euros.**

Truth

Even if you do get asylum, you will not receive a large welcome payment.

Lie

If given asylum, you will get 10,000 euros as a welcome payment.

Have you heard the rumor that says you will receive 10,000 euros along with asylum, as a welcome payment?

This is a lie often told by smugglers. Smugglers often promise you will get this payment from Germany and that you can pay off your loans with this money. But do not believe smugglers: this is not true. There is no large welcome payment.

And while you are waiting for asylum, you are not allowed to work. You need to provide shelter and food for yourself. If you cannot, the government will cover your basic needs until the case is decided.
